Membership Services

January 2016

Dear IIE Network Member,

As a member of the Institute of International Education (IIE), we are sending you a complimentary membership copy of the 2016 edition of *Funding for United States Study: A Guide for International Students and Professionals*. With over 500 grant and scholarship listings, this book is a valuable resource for advisers and international students worldwide.

*Funding for United States Study* features detailed descriptions of grants, fellowships, and scholarships for undergraduate and graduate study, and doctoral and postdoctoral research in the United States. In addition, the directory provides informative articles on financial assistance and university funding options, and more.

#### Funding for United States Study Online:

Students and advisors can also visit [www.FundingUSstudy.org](http://www.FundingUSstudy.org) to search these scholarship opportunities by country, field of study, study location in the United States, as well as program name. Please feel free to link to this page from your institution's own website and to add your scholarship programs to it.

#### Other IIE Publications:

You may purchase additional copies of the *Funding for United States Study* directory at [www.iiebooks.org](http://www.iiebooks.org). Other new IIE books include: *A Parent Guide to Study Abroad* (Spanish edition available), *Open Doors 2015*, *Asia: The Next Higher Education Superpower?* and *Intensive English USA 2015*.

We hope you enjoy your complimentary membership copy of the *Funding for United States Study*, and we urge you to visit IIE's website ([www.iie.org](http://www.iie.org)) to take advantage of the additional IIE Network member benefits available to you.

Sincerely,

Jon Grosh
