Greeting and Message from RMUTP International Affairs Division

As the fiscal year 2015 ends, the International Affairs Division has achieved all projects that we have set out to accomplish at the very beginning of the year. Those projects include: English Proficiency Development for RMUTP Students, English Camp 2015, International Conference and Performance Skill Development for International Affairs Officers.

Apart from the projects mentioned above, the International Affairs Division also assisted the President and all faculties of RMUTP with receptions of foreign delegates throughout the year 2015. The foreign delegates came from varied nations/organizations from across the globe: United States of America, the United Kingdom, Australia, China, Singapore, Taiwan, Germany, New Zealand, Philippines, and Turkey—on the purposes of seeking or updating memorandum of understanding and furthering academic discussion. We are very proud to welcome all delegates and assist every RMUTP sector.

At last, we would like to convey our deepest gratitude to those who were involved and helped us make these projects possible. For the fiscal year 2016, we promise our commitment to the University, to make it an even better place to learn and work.

Assoc. Prof. Supatra Kosaiyakanont Receives the Endorsement of King Bhumibol Adulyadej as President of Rajamangala University of Technology Phra Nakhon

On December 1st, 2014, His Majesty King Bhumibol Adulyadej gave a royal endorsement to Assoc. Prof. Supatra Kosaiyakanont as the President of Rajamangala University of Technology Phra Nakhon succeeding Assoc. Prof. Duangsuda Taechotirote who served as the President from 2005-2013.

Assoc. Prof. Supatra Kosaiyakanont was born on March 11st, 1954 and graduated with a bachelor degree in English from the Faculty of Arts, Chulalongkorn University and received a Master degree in Social Work from Thammasat University. Before becoming the President, Assoc. Prof. Supatra Kosaiyakanont devoted herself to the university and had been in many executive positions such as the of the Head of Thai language department, Assistant to the Directors of many divisions, Assistant to the President, and Vice President for Academic and International Affairs.

In order to achieve the goals of the university, President Supatra Kosaiyakanont has laid out a management plan for the university stressing 9 significant policies: (1) education management focusing on academic excellence and vocational expertise, (2) quality development of students reflecting the values of Rajamangala University of Technology Phra Nakhon, (3) research development with creative thinking, (4) academic services for sustainable development, (5) arts, culture and environmental preservation, (6) organization management focusing on quality improvement and good governance principles, (7) quality development of staff, (8) preparing the University for the ASEAN Economic Community and standardizing the University towards a global standard curriculum, and (9) preparation for creating an autonomous university in the future under the vision: "A Leading Technology University in Producing Professional Graduates."

The 7th RMUTP English Camp 2015

During 17th – 22nd May 2015, International Affairs Division of Rajamangala University of Technology Phra Nakhon held the 7th annual English summer camp at Botany Beach Resort, Pattaya. It was joined by 82 RMUTP students and 14 camp leaders from across the United States.

The purposes of the camp was to provide experience in learning the English language with native speakers, to increase English proficiency, to raise the student's knowledge of American customs, traditions and culture and to create friendship among RMUTP students.

The camp not only consisted of daily class sessions, but also indoor and outdoor activities in order to create an amusing atmosphere while learning English lessons. In addition, both camp leaders and campers enjoyed exchanging cultural knowledge at the same time.

The closing ceremony of the camp took place in the evening of May 22nd which was honored by the presence of Assoc. Prof. Supatra Kosaiyakanont, the President of Rajamangala University Phra Nakhon as the chairman and other distinguished guests: Dr. Suwana Klomjit, Assistant to the President for International Affairs and Mr. Gumporn Suwannachim, lecturer of the Faculty of Business Administration.

On the closing ceremony day, President Supatra Kosaiyakanont shared a memorable speech and extended her appreciation to the staff of the International Affairs Division for their hard work and dedication, Dr. Kris Rugsaken for his long commitment and dedication to RMUTP and the camp leaders. Finally, there were many spectacular shows: Ramwong or Thai traditional dance performed by the camp leaders, Muaythai and a Miss Tiffany show by RMUTP students.

At last, the camp ended, departing words were shared, but friendship and experience will always bound those who joined the camp together this year.

The 6th RMUTP International Conference on Science, Technology and Innovation for Sustainable Development: Current Challenges towards Creative and Green Economy

Rajamangala University of Technology Phra Nakhon, abbreviated as RMUTP, held an international conference called the 6th RMUTP International Conference on Science, Technology and Innovation for Sustainable Development: Current Challenges towards Creative and Green Economy on July 15th-16th, 2015 at the Infinity conference room, Pullman Bangkok King Power Hotel.

On day 1, we were honored by the presence of Prof. Chaiyos Hemarajata, Chairman of the University Council, who presided over the opening ceremony of the 6th RMUTP International Conference and delivered a memorable speech for all attendants.

After the opening ceremony, it was followed by special lectures from two keynote speakers. The first subject was focused on the "Development of Lead-Free Piezoelectric Ceramics and their Future Prospect," by Assoc. Prof. Dr. Hajime Nagata, a lecturer from Tokyo University of Science — informally called Rikadai. Dr. Hajime Nagata is a top-ten junior Associate Professor at Rikadai and recently received a Young Scientist award of Japan in 2012. In the afternoon, the conference continued with a special lecture on "Green Technology," by Assoc. Prof. Dr. Vissanu Meeyou, a lecturer from Mahanakorn University of Technology.

Apart from the special lectures of those two keynote speakers mentioned above, there were many interesting subjects during the afternoon: a lecture on Environment by the Industrial Environment Institute of the Federation of Thai Industries, and a presentation on Using Scopus as a Research and Publishing Tool by the Scopus team— which were sponsors of the 6th RMUTP International Conference.

In the evening of day 1, RMUTP arranged a thank-you party for the keynote speakers which had many spectacular shows: Thai traditional dance, Muaythai show and a concert featuring RMUTP students.

On day 2, the conference consisted of oral presentations—from both domestic and international presenters; e.g. Lifetime Simulations of Rechargeable Batteries for Solar Powered Fishing Lights by Dr. Gunther Bohn, a lecturer of University of Applied Sciences Wurzburg; Cumulative Rainfall Rate and Rain Attenuation Prediction Model at Vientiane, Laos by Dr. Bounthavy Sengnouanxay, a lecturer of National University of Lao; Awareness and Practice in Green Technology of College Students by Dr. Meah Gonzaga, a lecturer of Philippine Normal University Visayas—and poster presentations reserved only for Thai researchers, due to the intention of using the conference as an open stage for researchers with outstanding research but had not reached English proficiency.

RMUTP holds the International Conference annually in July of each year with a desire to build on each year's continued successes.

RMUTP International Affairs Division Arranges Performance Skill Development for International Affairs Officers

On 4th – 6th August 2015, International Affairs Division of Rajamangala University of Technology Phra Nakhon arranged a staff training program called Performance Skill Development for International Affairs Officers at the Nouvo City Hotel, Banglamphu, Bangkok. More than 40 staff and lecturers of Rajamangala University of Technology Phra Nakhon attended the training program. On the first day, it was honored by the presence of Assoc. Prof. Supatra Kosaiyakanont, President of Rajamangala University of Technology Phra Nakhon as a chairman. On this occasion, the President took the opportunity to announce the International Affairs Policy to all staff, lecturers and members of each faculty who are responsible for international students and international affairs.

The 3-day training program consisted of many interesting and useful subjects: Performance Skill in International Affairs and Making of International Affairs Directories and Network by Dr. Suwana Klomjit, Assistant to President for International Affairs, English Proficiency Development by Mr. Vince Goldie, Table Manners by Mr. Wisitsak Udommala, Voice Training by Mr. Punnavach Pakdothitithakorn and Organizational Internationalization by Ms. Chadarat Singhadejakun. All subjects were not only focusing on lectures, but also practicing activities such as English conversation, voice practice and table manners.

The purposes of the program was to improve the English proficiency of RMUTP staff and lecturers, to increase their knowledge on immigration regulations and to create mutual understanding on the International Affairs' policy of RMUTP.

Mr. Warren J. Ducas visits RMUTP

On August 11th, 2015, Assoc. Prof. Supatra Kosaiyakanont, President of Rajamangala University of Technology Phra Nakhon and Dr. Suwanna Klomjit, Assistant to President for International Affairs warmly welcomed Mr. Warren J. Ducas, a lecturer from Arkansas University, United States of America at Buamuang meeting room, President Office, Thewet campus, Bangkok.

The purpose of the meeting was to discuss a future academic collaboration in teaching English online via Skype application which is able to access via Laptop and mobile device, and to present his English teaching method. Mr. Warren J. Ducas has over 20 years in experience helping international students improve their English conversation skill through the Conversation Club at Arkansas University. Apart from the university club, he also created his own Conversation Club which consists of 6 groups of international students across the world—Japan, China, Brazil, and Italy. His teaching method is not focused on textbooks, but rather natural conversation in a relaxed learning to build confidence in learning English for students.

RMUTP Signs Academic Memorandum of Understanding with University of Northern Philippines

On June 12th, 2015, Assoc. Prof. Supatra Kosaiyakanont, President of Rajamangala University of Technology Phra Nakhon, warmly welcomed University of Northern Philippines delegates led by Hon. Rolando B. Navarro, President of the Faculty Association Members. The purposes of their visit were to discuss the details of a possible collaboration between the two academic institutes and to sign a revised Memorandum of Understanding. The MOU signing ceremony was held at the Rabhibhadana meeting room, at the Office of the President, Thewet campus.

The signed MOU will initiate academic collaboration such as a student and lecturer exchange program and an internship abroad program for students. Both institutes will seek for more collaboration on the mutual interest in the near future.

Situated in Barangay Tamag, Ilocos Sur, Philippines, University of Northern Philippines or UNP was founded in 1906 as Vigan High School and was promoted to a state university in 1965. Nowadays, UNP has 4,500 students and global partnerships with universities in Indonesia and India in both research and students exchanges.

On this occasion, President Supatra Kosaiyakanont also took the opportunity to invite the UNP delegates to join the International Conference which is going to be held by RMUTP on July 15th – 16th, 2015 at Pullman Bangkok Hotel.

RMUTP Signs Student Exchange Agreement with Curtin University

On June 11th, 2015, Assoc. Prof. Supatra Kosaiyakanont, President of Rajamangala University of Technology Phra Nakhon warmly welcomed Curtin University delegates led by Prof. Andris Stelbovics, Pro-Vice Chancellor. The purposes of this visit were to sign a student exchange program and to discuss more areas of possible cooperation between RMUTP and Curtin University. The signed agreement will initiate student internship abroad program in the field of Engineering which allows both academic institutes to send at least 5 students per year to one another's university.

RMUTP has a long-time relationship with Curtin University. The first Memorandum of Understanding was signed by former RMUTP president, Assoc. Prof. Duangsuda Techotirote back in 2013.

The signing agreement ceremony was held at Rabhibhadana meeting room, at the Office of the President, Thewet campus.

Nanyang Polytechnic Visits RMUTP

On July 21st, 2015, Assoc. Prof. Supatra Kosaiyakanont, President of Rajamangala University of Technology Phra Nakhon, and other senior executives warmly welcomed Nanyang Polytechnic delegates from Singapore led by Mr. Henry Heng, Deputy Principal and Senior Director of the School of Business and Mr. Aloysius Tan, Coordinator of International Student Exchanges at the Faculty of Mass Communication Technology, Rajamangala University of Technology Phra Nakhon, Thewet campus.

The main purpose of the visit was to discuss a possible academic collaboration between the two institutes. Nanyang Polytechnic, abbreviated as NYP, is located in the center of Singapore.

RMUTP Signs an Academic MOU with 4 Institutes

On May 14th 2015, Assoc. Prof. Supatra Kosaiyakanont, President of Rajamangala University of Technology Phra Nakhon signed an academic memorandum of understanding with Panjavidhya Technological College, Bangkok Eastern Technological College, Chonburi Eastern Technological College and the office of informal education at Rabhibhadana meeting room, Office of the President, Thewet campus.

RMUTP and FHWS Sign Academic MOU

On March 23rd, 2015, Assoc. Prof. Supatra Kosaiyakanont, President of Rajamangala University of Technology Phra Nakhon, signed an academic MOU with University of Applied Sciences Wurzburg- Schweinfurt (FHWS) from Germany. The delegates of FHWS were: Prof. Dr. Robert Grebner, President of FHWS, Dr. Daniel Wimmer, Head of the International Office, and Prof. Dr. Manfred Kiesel, Director of International Management. The MOU signing ceremony was held at the Rabhibhadana meeting room, at the Office of the President, Thewet campus.

The purpose of the MOU was to create more effective protocols on the student exchange program between the students of the two universities majoring in business administration. RMUTP has had the academic collaboration with FHWS through a student exchange program for 3 consecutive years and has created a dual degree program together.

RMUTP and OSUIT Sign Academic MOU

Assoc. Prof. Supatra Kosaiyakanont, Acting President of Rajamangala University of Technology Phra Nakhon, has signed an academic memorandum of understanding with Ms. Andrea Gardner, Coordinator of International Relations of Oklahoma State University Institute of Technology. The purpose of this MOU was to develop and create curriculum, research, cooperative education program and exchange student program. The ceremony was held on October 15th, 2014 at Rabhibhadana conference room, Office of the President, Rajamangala University of Technology Phra Nakhon.

RMUTP Executives Visit Food Service Business in America Aimed to Produce Qualified Graduates for the Business

Assoc. Prof. Supatra Kosaiyakanont, Acting President of Rajamangala University of Technology Phra Nakhon, Asst. Prof. Chayapat Kee-ariyo, Dean of Faculty of Home Economics Technology, Assoc. Prof. Wimonphan Arpavate, Dean of Faculty of Mass Communication Technology and Asst. Prof. Aphirat Soros, Associate Dean for Administration of Faculty of Home Economics Technology visited Shabu Grill, a Thai restaurant, in Las Vegas, USA, on November 16th, 2014 to create more effective collaborations in sending the second group of Faculty of Home Economics Technology students to attend the cooperative education program and in offering RMUTP graduates to work in America.

Shabu Grill is a Thai restaurant in USA owned by IT square Co., Ltd. Faculty of Home Economics Technology is a consultant of the restaurant for food and beverage. Moreover, the first group of 6 students has recently completed the program on October 31st, 2014.

At present, 4 graduates of RMUTP are working fulltime at Shabu Grill and the memorandum of understanding between both parties concerning cooperative education program was signed in order to increase vocational experience of the RMUTP students to the universal standard.

Lecturers from Amasya University Visit RMUTP

On January 27th, 2015, Assoc. Prof. Supatra Kosaiyakanont, President of Rajamangala University of Technology Phra Nakhon warmly welcomed the following representatives of Amasya University: Dr. İlker KÖSTERELİOĞLU, lecturer of Amasya University and Mr. İsmail YOLCU lecturer of Amasya University and Director of HOYTAD Organization, Turkey at the Rabhibhadana meeting room in the Office of the President, Rajamagala University of Technology Phra Nakhon, Thewet campus.

The purposes of this visit were to discuss future academic collaboration between Amasya University and RMUTP concerning students and lecturers through an exchange programs and to create the foundation for a strong partnership among the two universities.

IT Professional Visits RMUTP

On February 3rd, 2015, Assoc. Prof. Supatra Kosaiyakanont, President of Rajamangala University of Technology Phra Nakhon, together with senior executives, and deans of 9 faculties warmly welcomed Mr. Martin Allen Muckleroy, President of IT Professional, Ms. Rungrat Soynguen and Ms. Jarunya Singprasitkun. The

purpose of their visit was to discuss new areas of collaboration and to strengthen the relationship between RMUTP and IT Professional.

RMUTP recently signed an MOU concerning cooperative education program with IT Professional last year. RMUTP students of Faculty of Home Economics Technology were sent to the restaurant of IT Square situated in Las Vegas, the United States of America. The main purpose of the program was to increase English language proficiency of Home Economics students and offer them valuable experiences working aboard.

Chongqing University of Posts and Telecommunication Visits to RMUTP

On February 3rd, 2015, a delegation from Chongqing University of Posts and Telecommunication led by Ms. Wen Jin, International Officer and Ms. Fan Aiping, Senior Officer of the International School met with Assoc. Prof. Supatra Kosaiyakanont, President of Rajamangala University of Technology Phra Nakhon, and senior executives at the Rabhibhadana meeting room in the Office of the President, Rajamangla University of Technology Phra Nakhon, Thewet campus.

The purposes of the visit were to discuss possible collaboration in student and lecturer exchange programs and co-research program, to create a lasting partnership between the two universities, and to introduce Chongqing University of Posts and Telecommunication to RMUTP executives.

Situated in Chongqing, China, Chongqing University of Posts and Telecommunication or CQUPT was founded in 1950 and has currently more than 10,000 students. CQUPT is well known for its Faculty of Engineering in Automation and Computer Science. Moreover, it has a strong relationship with many international universities in USA, Japan, South Korea and Singapore and also has well- established partnerships with Chinese and international corporations such as Microsoft, IBM, Cisco, HP, Oracle, HP, Huawei, China Telecom and Lenovo. Today, CQUPT offers many international programs taught in English and also scholarships for international students.

RMUTP Signs Memorandum of Understanding with Home Products

On March 28th, 2015, Assoc. Prof. Supatra Kosaiyakanont, President of Rajamangala University of Technology Phra Nakhon was a chairman in the memorandum of understanding signing ceremony with Mr. Nithat Arunthippaithoon from Home Products Co., Ltd. The main purposes of the MOU were to exchange knowledge and career experience, to seek more possible opportunities in academic collaboration, to improve the potential of the lecturers of Faculty of Architecture and Engineering, and to produce hands-on graduates together.

The signing ceremony was held at Rabhibhadana meeting room, office of the president, Thewet campus, Rajamangala University of Technology Phra Nakhon.

RMUTP Students Attend Cisco Thailand Net Riders 2014 & Cisco Thailand Net Excellence 2014

Held annually by Cisco Networking Academy, Thailand Net Riders 2014 gives students of the Networking Academy a chance to use their knowledge and skills learned from networking class by applying them to solve unexpected problems in a competition simulation, and has students work as a team. The winning team will represent Thailand in APAC Net Riders 2014, an Asia Pacific competition.

The competition had 2 rounds. The 1st was online competition held at a test center of Networking Academy. 124 teams from 18 academic institutes across the country attended the competition. Department of Computer Engineering of Faculty of Engineering from RMUTP sent 4 teams to the competition. Socket3 team of RMUTP comprising of Mr. Thayawat Boonsrinui and Mr. Sorrasit Phoomchat qualified for the final round.

In the final round, 19 teams of 11 academic institutes must face both theoretical and hands-on test. Unfortunately, Socket 3 did not win in the final round.

For Thailand Net Excellence 2014 competition, Mr. Chaowarit Somboonpattanakit, student of RMUTP, is the winner.

RMUTP Lecturer Receives an Award for the Excellent Thesis

Dr. Rattanaphon Mongkolrattanasit, lecturer of Textile Chemical Technology Department, Faculty of Industrial Textiles and Fashion Design, received an award for the excellent thesis of the year 2014 in the category of engineering and industrial research at the Inventor's day event, Impact Arena Muang Thong Thani. The title of his thesis is "The Study of Dye extracted from Eucalyptus Leaves, and Its Applications on Silk and Woolen."

RMUTP Student Receives Royal Award

Assoc. Prof. Supatra Kosaiyakanont, Acting President of Rajamangala University of Technology, congratulated Mr. Komkrit Jiraphongvivat, a junior at the Faculty of Mass Communication Technology on the occasion of receiving the 2013 Royal Award for students in the higher education level. All winners were awarded by Her Royal Highness Princess Maha Chakri Sirindhorn. The ceremony was held at Dusidalai Hall, Chitralada Royal Villa on October 3rd, 2014.

RMUTP Researchers Receive the Awards in the 6th Rajamangala University of Technology Academic Conference and the 5th Rajamangala University of Technology International Conference

On behalf of Institute of Research and Development, RMUTP, we would like to congratulate all three award winners for their poster presentations. The award winners were (1) Miss Suwadee Pradap and her team with an award for “outstanding” research concerning the economics and business administration, (2) Asst. Prof. Saowaluk Khongkhachuichai and her team with an award for “excellent” research with regards to the economics and business administration and (3) Miss Sasithorn Chookaew and her team with the award for “well-done” research on the economics and business administration.

In addition, Asst. Prof. Juthamas Pheepatchara, Director of Institute of Research and Development, RMUTP, received an “excellent” award by arranging the research, invention and innovation exhibition at the 6th Rajamangala University of Technology Academic Conference and the 5th Rajamangala University of Technology International Conference held at Rajamangala University of Technology Suvarnabhumi, Huntra campus, Phra Nakhon Si Ayutthaya Province.

RMUTP Receives "the Best Government Sector in Accounting"

Mrs. Juraporn Tantiprasonk, Vice-President for Planning and Infrastructure, presented the President of RMUTP in an award ceremony concerning “the best government sector in accounting.” The purpose of this award ceremony was to praise the government sector with outstanding management in finance for the year 2014. The ceremony was held by the Comptroller General’s Department on September 26th, 2014.

RMUTP Students Pass through the Final Round of Robotic Competition

Extreme@Bainstorm, a robotic team, from the Faculty of Engineering, Rajamangala University of Technology Phra Nakhon was qualified for the final round of the 22nd Thailand Robot competition. The competition was held at the MCC hall, at the Mall Bangkapi department store.

Social Media Training Program for Lecturers

On February 18th-20th, 2015, RMUTP's Office of Academic Promotion and Registration organized a Social Media Training Program for RMUTP Lecturers at the Simathani Hotel in Nakhon Ratchasima province and conducted a study trip on the use of social media in education at the Center of Educational Innovation and Technology. The program was attended by 40 RMUTP lecturers.

Nowadays, social media plays an important role in Thai society including Thai education because of its ease of access through smartphones and low cost start-up advantages. Many schools and universities in Thailand use social media as a tool to disseminate information to their students. Therefore, the Office of Academic Promotion and Registration initiated the program in order to increase skills in the use of social media for RMUTP lecturers.

RMUTP Delegates Attend "Innovation Creation" Conference

RMUTP delegates led by Dr. Singkaew Pokternng, Director of Institute of Research and Development, Dr. Duangreuthai Nicomrat, Deputy Director of Institute of Research and Development and Asst. Prof. Songwut Mongkollertmanee attended the Innovation Creation conference on March 5th, 2015 at the Faculty of Medicine, Navamindradiraj University.

RMUTP Delegates Join MOU Signing Ceremony between Royal Thai Army and Office of the Higher Education Commission

On behalf of the President of Rajamangala University of Technology Phra Nakhon, RMUTP delegates led by Dr. Singkaew Pokternng, Director of Institute of Research and Development, and Dr. Duangreuthai Nicomrat, Deputy Director of Institute of Research and Development joined the MOU signing ceremony between Royal Thai Army and Office of the Higher Education Commission at Royal Thai Army Headquarters, on February 4th, 2015. The ceremony was held by the Policy and Planning Division of Thai Army Research and Development Office.

RMUTP Donates to Nepal

Assoc. Prof. Supatra Kosaiyakanont, President of Rajamangala University of Technology Phra Nakhon, and other executives arranged a fundraiser activity called "RMUTP Helps Earthquake Victims in Nepal." After the fundraiser activity, RMUTP donated 100,000 THB to Nepal.

2014 RMUTP Charity Bowling Competition

Rajamangala University of Technology Phra Nakhon held a charity bowling competition on October 25th, 2014 at Blu-O Rhythm and Bowl, Major Cineplex, Ratchayothin, Bangkok. The winners received an honorary cup from Gen. Boonsrang Niempradit, Former Supreme Commander of Thailand and the executives of RMUTP.

Samai Niyom Fashion Show by the Faculty of Industrial Textiles and Fashion Design

On June 9th, 2015, Asst. Prof. Fuangfah Mekkrengkri, Vice President for Academic Affairs and Research served as a chairman at the RMUTP Fashion Show arranged by the Faculty of Industrial Textiles and Fashion Design. The concept of the fashion show was Samai Niyom or so called pop-culture in English. All the designed costumes reflected Thainess — art, culture, belief and identity. More than 150 costumes designed and made by RMUTP students were displayed in the fashion show held at Central World, Bangkok.

Special Lecture : Energy Savings by Prof. Dr. Alfred Reinhold Leidig

On December 17th, 2014, Prof. Dr. Alfred Reinhold Leidig, lecturer of Hochschule Rosenheim University of Applied Sciences, gave RMUTP lecturers and executives a special lecture concerning energy savings at Direkrit conference hall, Faculty of Industrial Education, Rajamangala University of Technology Phra Nakhon.

Prof. Dr. Alfred Reinhold Leidig also received an honorary degree in mechanical engineering from the Faculty of Engineering, RMUTP. He initiated and collaborated of the memorandum of understanding signed between RMUTP, Wurzburg University and Rosenheim University of Applied Sciences and also helped make the Thai Food Roadshow Event from the Faculty of Home Economics Technology in Germany possible.

English Proficiency Development for RMUTP Students

International Affairs Division held English Proficiency Development for RMUTP Students from March 14th-25th, 2015. The purposes of the program were to develop the English Proficiency of RMUTP students and to prepare the students for ASEAN Student Exchange program which requires Thammasat University General English Test score or so-called TU-GET.

The program focused on tips and tricks in doing the English proficiency test and provided the general idea and the usage of each categories of the tests available in Thailand—TOEIC, TOEFL, IELTS, TU-GET and CU-TEP—to the RMUTP students.

The program was joined by 60 students who were divided into 2 groups. The students were intensively tutored by the professional tutor: Mr. Artit Intakaew and Mr. Thitiphon Lertlailitwong.
